#### ADDITIONAL DETAILS

**Pre-existing Condition:** If you have a medical condition that begins before your coverage takes effect, and you receive treatment for this condition within the three months leading up to your coverage start date, you may not be eligible for benefits for that condition until you have been covered by the plan for 12 months.

**Coverage Period for Your Occupation:** 24 months. After this initial period, you may be eligible to continue receiving benefits if your disability prohibits you from performing any employment for which you are reasonably suited through your training, education, and experience. In this case, your benefits may be extended through the end of your maximum coverage period (benefit duration).

This is an incomplete list of benefit exclusions. A complete list is included in the policy. State variations apply.

This is not intended as a complete description of the insurance coverage offered. Controlling provisions are provided in the policy, and this summary does not modify those provisions or the insurance in any way. This is not a binding contract. A certificate of coverage will be made available to you that describes the benefits in greater detail. Refer to your certificate for your maximum benefit amounts.
